Based on 24 monthly payments, 2 are due in advance. Cash price is discounted at 15%. All equity can be applied towards the next size up or to a better grade instrument.

Check the appropriate box for the instrument and size. The TCAPS string teacher can size your child. Then call Up North Strings at 935-4868 for instrument delivery to your house.

The Up North Strings advantage: **1. Much more economical in the long run!** **2. Better beginner instruments!** **3. Personal in-town service and repairs.** If you need repairs we will fix the instrument, including broken strings. **4. Once the monthly payments are complete it is yours to keep!** However if your child does not continue, you may return the instrument at any time with no further payments necessary. **5. We do not charge an insurance fee.** Your full payment is counted as “equity” that can be applied towards the next size or level.

We are located at 1610 Timberlane Drive, near Central High.
